Fix: Nexus 7 Won't Turn On - Appuals.com

Ok, so here is what happened - Son plugs his Nexus in to charge and all is fine. Goes back an hour later and the device is dead. It will not start. So i press the volume down button along with the power button and it goes into the boot loader menu. all looks fine so i select shut device down. When it shuts down, i restart it. Nothing. it will not start. so i press the volume down and the power ...
