### Education In Islam The Role

Education has played a central role in Islam since early times, owing in part to the centrality of scripture and its study in the Islamic tradition. Before the modern era, education would begin at a young age with study of Arabic and the Quran. Some students would then proceed to training in tafsir and fiqh, which was seen as particularly important. For the first few centuries of Islam, educational settings were entirely informal, but beginning in the 11th and 12th centuries, the ruling elites b
