How To Write A User Manual

How To Write A User

Prior to writing the user story, conduct user surveys and interviews to query the user about needed functionality.

Start by writing a customer journey, stated in incremental stories, on 3x5-inch cards or Post-it notes.

Remember, write for

File Type PDF How To Write A User Manual

the user, not the developer. It sounds like a no-brainer, but writing in plain language about a product or service you know front-to-back is way more difficult than you might think. You know all kinds of jargon, acronyms, and other “insider” info that customers likely don’t. It’s natural for you to use it.

How To Write A

User Manual

When writing a manual, you need to put on a “user’s hat” and think like a user. You should have a good understanding of your users so you can understand the information they need to know, their background, and their knowledge of the product. Once you think like a user, you can write content that the users need to know.
