Writing your own lyrics is only half the battle -- you need to know how to sing them, too. Even if you're a rapper, you still need to think about "flow," or the pace and rhythm of your words. The best way to do this is to experiment, usually with an instrument of some sort, but you can even whistle or hum until something sounds good as well.

Good writing is always about something. Write the argument of your book in a sentence, then stretch that out to a paragraph, and then to a one-page outline. After that, write a table of contents to help guide you as you write, then break each chapter into a few sections. Think of your book in terms of beginning, middle, and end.
