Medieval And Renaissance Stained Glass

Medieval and Renaissance Stained Glass: 1250-1550 is the first exhibition of its type to be held in over ten years, and consists of fifty-five stained-glass panels brought together over the course of the last two decades. They were all created in France, the Netherlands and the German-speaking lands across a period spanning some three centuries. During that time, the manufacture of northern-European stained glass saw such tremendous technological and artistic developments that the earliest ...
