Fold a small corner on the bottom of the paper near the slope. Flip the paper over and repeat this. Grab a pen and draw and line vertically down the top of the slop. Create a right-angle and then draw a line from that point to an area lower on the slope. This will create a window for the front of the train.

The Bullet plane is another classic paper airplane. The main difference between the Bullet and other darts is the snub nose at the front. This style of nose is great for beginner paper airplane pilots because unlike the usual darts, the nose can withstand more throws without losing it's ability to keep on flying!
