Veil: Veiling, Representation, and Contemporary Art by ...

Veil is the first publication to explore the representation of the veil - one of the most powerful symbols in contemporary visual culture - and serves as an essential starting point to establish a new international dialogue. Extending possible interpretations of the veil and investigating the ambiguities and paradoxes expressed in contemporary arts practice, it provides both a social and an historic context to the veil's multilayered symbolism.

VEIL: Veiling, Representation, and Contemporary Art

Veil is a major international exhibition that examines one of the most powerful symbols in contemporary culture. Twenty artists and film-makers address the question of the veil in all its complexities and ambiguities, challenging any single or fixed cultural interpretation. Veil spans the spectrum of contemporary visual arts practices, with an emphasis on lens-based work; on one level, the project is an exploration of the roles of photography, film and video as contemporary tools for ...
